

The image shows a login interface for 'MG Module-Generator'. At the top, the letters 'MG' are displayed in a large, bold, orange font with a black outline. Below this, the text 'Module-Generator' is written in a smaller, white, sans-serif font. The background of this header section is a dark gray. Below the header, the text 'Sign in to start your session' is centered in a small, gray font. There are two input fields: the first is labeled 'Email or Username' and has a small envelope icon on the right; the second is labeled 'Password' and has a small padlock icon on the right. Both fields are light gray with rounded corners. At the bottom right of the login area, there is a blue button with the text 'Sign In' and a right-pointing arrow icon.
